Walk for Kids 2022 - Inland Empire

Walk for Kids™ is an annual fundraiser to support families receiving comfort, care, and support from Ronald McDonald House Charities of Southern California. This fun, family-friendly event calls on volunteers, companies, and donors within their local community to keep families close when they need it the most.

By participating in the Walk for Kids 2022 - Inland Empire held at Fontana Park, 15556 Summit Ave, Fontana, CA 92336, you can help create a community where children and their families embrace life and healing with a sense of hope, enthusiasm, courage, and joy.

Our highest priority is the health and safety of our walkers and communities. Walk for Kids gatherings are scheduled to take place across Southern California at in-person locations; supporters are invited to participate in the way they feel most comfortable. Proof of full vaccination or negative COVID test that was taken within 72 hours of the event will be required for on-site participation.

In-person events shall be presented in accordance with applicable public health conditions as of the date of the event and which may change at any time as determined by federal, state, or local government agencies. Our Health & Safety policies are updated based on the evolving circumstances and plans and mandates may change. We will continue to update this page with developments and more details closer to the Walk for Kids.

In the case that the in-person event must be canceled for any reason, Walk for Kids will take place virtually.
